

KONA Award -2020

**Professor Brij M. Moudgil, PhD
(Univ. of Florida, USA)**

Education

B.E. (Metallurgy), Indian Institute of Science (IISc) (1968)
Eng.Sc.D. (Mineral Engineering & Chemical Metallurgy),
Columbia University (1981)

Career

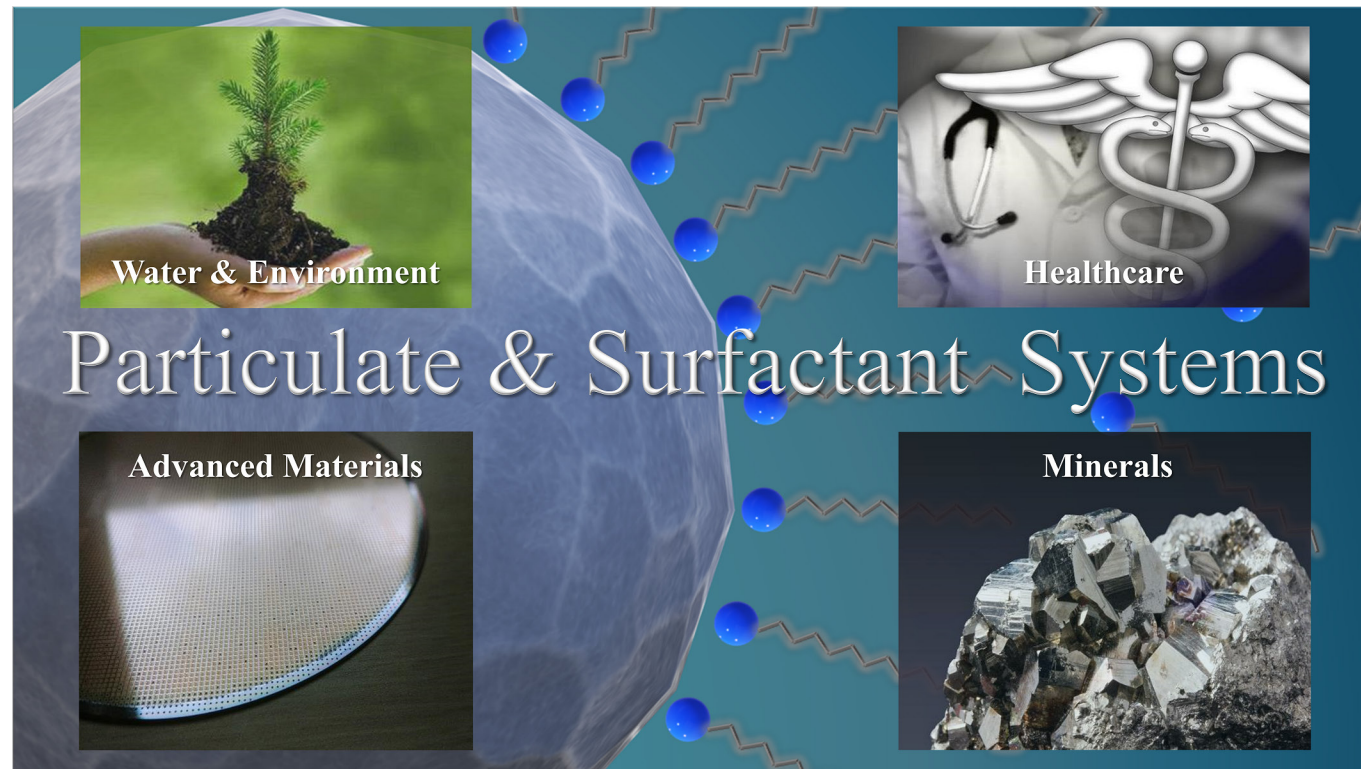

1981-present:

- **Professor**, University of Florida (Distinguished Professor)
- **Fellow**, Indian National Academy of Engineering (INAE)
- **Member**, National Academy of Engineering (NAE), USA
National Academy of Inventors (NAI), USA

KONA Award -2020

Particulate & Surfactant Systems

— Interfacial Engineering for Enhanced Performance in Industrial Applications —

Interfacial engineering of particulate system for enhanced performance.
