

KONA Award 2025

**Professor Arno Kwade, PhD
(Technische Universität (TU) Braunschweig, Germany)**

Education

Dipl.-Ing. (Mechanical Engineering), TU Braunschweig, Germany (1992)

Ph.D. (Process Engineering), TU Braunschweig, Germany (1996)

Career

2005 – Present:

- **Professor**, TU Braunschweig (Director, Institute for Particle Technology)
- **Fellow**, German National Academy of Science and Engineering
- **Chairman**, Research Centers “Battery LabFactory Braunschweig (BLB)” and Center of Pharmaceutical Engineering (PVZ)”, TU Braunschweig
- **Spokesman**, EFCE Working Party on “Comminution and Classification”
- **Vice-President for Transfer & Innovation**, Executive Board, TU Braunschweig

KONA Award 2025

Powder and Product Design by Stressing Particles: Understanding Process–Structure–Property Relationships from Particle to Plant Scales
